

NATIONAL PAYROLL WEEK 2020

September 8-11, 2020

Zoom Celebrations

I don't know about you but when I sat down at the end of last year, mapped out 2020, and started to plan for our annual events, the "plan" was very different than the reality we are all living in today.

I've seen amazing things from some amazingly creative people. Everything from, drive by birthdays, weddings at drive in-theaters, virtual graduations, proms, date nights and happy hours. These creative people who didn't let the 2020 special events go by unnoticed have given me hope and inspiration to carry out our celebration within the chapter and my own organization.

The APA's theme this year is "Paylympics" in honor of the now postponed 2020 Olympics in Japan. So, let's get creative, "GO FOR THE GOLD", and celebrate our profession and each other throughout the week.

Monday – Labor Day, is a creation of the labor movement and is dedicated to the social and economic achievements of American workers. It constitutes a yearly national tribute to the contributions' workers have made to the strength, prosperity, and well-being of our country.

Take a break with us every day this week from 3:00pm – 3:15pm
